## Cape Fear Valley Flu Restrictions Lifted FAYETTEVILLE

Cape Fear Valley Health has lifted its visitor policy restricting children under age 12 from visiting its hospitals effective immediately. The policy was implemented Jan. 8 to minimize the spread of flu and other flu-like diseases.

In addition, the Emergency Department is no longer limiting visitors to just one per patient.

Individuals experiencing flu-like symptoms, such as fever, cough, sore throat and runny nose, are still urged not to visit friends and family at the medical center. They should remain home instead and call their primary care physician for treatment guidance.

Hand washing is the most effective way to reduce the spread of flu and other types of infection.

The North Carolina Board of Funeral Service is established under the provisions of Chapter 90 of the North Carolina General Statutes. The Board is composed of nine members.

Members of the Board are appointed by the Governor and the General Assembly. The Governor appoints seven members of the Board: Four licensees from recommendations offered by The North Carolina Funeral Directors Association (NCFDA); two (2) licensees from recommendations offered by the Funeral Directors and Morticians Association of North Carolina, Inc. (FD & MA of NC, Inc.); and one (1) licensee of the Board who is not affiliated with any funeral trade organization. One public member is appointed by the General Assembly on the recommendation of the President Pro Tempore of the Senate, and one public member is appointed by the General Assembly on the recommendation of the Speaker of the House. Members serve three year terms.

The Board is responsible for the administration and regulation of the profession of funeral service in North Carolina. The Board reviews applications, administers examinations, licenses qualified applicants, and regulates the professional practice of the licensees throughout the State. Complaints are investigated, and those requiring further action are scheduled for a hearing before the Board.

Board meetings are usually held at the Board's offices in Raleigh. On occasion the Board meetings are held in other locations in North Carolina. The meetings are open to the public.

There's a great deal to consider before planting a tree. PWC's Tree Power Program can help.

PWC is committed to protecting the environment and helping our customers save money and conserve energy. One way we do this is by encouraging everyone to plant more trees through our Tree Power Program.

When you plant a tree, you reduce carbon dioxide emissions, a common greenhouse gas in our environment. It also provides shade and windbreaks, reducing your energy costs and beautifies the community.

With the Tree Power Program, we can help you select the right tree and the right place to plant it to protect overhead power, telephone and cable T.V. lines and underground water, sewer and natural gas lines. By planting between the lines, you're keeping your power on and your property safe.

To find out more, please visit [faypwc.com](http://faypwc.com) to download "Plan Smart - to avoid Tree and Utility Conflicts," a free brochure full of guidelines, tips, and resources.

### Can You Dig It? Dial 811.

Before you dig, dial 811 to have utility specialists locate all underground power, water, and sewer lines. NC811 is a free service to help prevent injury and service interruption.

## There's only one legendary name that fits that description: Frankie Beverly & Maze

The sound is distinctive -- passionate, creative, original, soulful, honest and powerful. For nearly thirty years Frankie Beverly and Maze have created a unique sound and become one of the most influential groups in modern history.

"We've made it this far because we love and respect ourselves and our fans. But, most importantly, we believe in what we do," remarks Frankie. The journey began when Frankie relocated from his hometown of Philadelphia to San Francisco and formed Maze. In 1976, he released his first album, Maze Featuring Frankie Beverly which yielded a string of hit singles, including "Lady of Magic" and "Workin' Together."

The 80's brought the release of the best-selling albums, Golden Time of Day, Inspiration, Joy and Pain, containing a list of chart-topping singles including "Travelin' Man," "Feel That You're Feeling," "Joy and Pain," "Look in Your Eyes" and "Southern Girl," to name a few. The group gained worldwide appeal with its legendary sold-out live appearances, and released the deluxe album Live in New Orleans which captured the energy, excitement and electricity of a Maze stage show and offered a fourth side of new studio material which included the hit single "Running Away".

In 1983, with the release of We Are One, Frankie Beverly & Maze solidified their international standing with such hits as the title track "Never Let You Down", "I Love You Too Much" and "Love is the Key." As the 80's came to a close, the group released Can't Stop the Love and a second in-concert package, Maze Featuring Frankie Beverly Live in L.A., which served both as a retrospective of the group's remarkable career to date and a fitting close to the first chapter of the Maze legend.

With a change of record label and shifts in the group's line-up a new era was launched for Frankie Beverly & Maze. "We wanted to emphasize our strengths, bring together the elements that have always been a part of our music and really focus on them," continued Frankie. The band released Silky Soul, one of their most successful albums, which included the smash singles, "I Can't Get Over You" and the title track.

After a solid year of touring North America and

Europe, the group took a break to recharge their creative juices. "When you're trying to do the best you can...to give the people everything you've got, you need to be patient," Frankie emphasized. With anticipation and excitement, the group released Back to Basics which captured the passionate, electrifying essence of the group, and included the hit singles, "Laid Back Girl," "The Morning After" and "What Goes Up."

In between preparing material for the release of their third Warner Bros. album and a Christmas album the group continues to be one of the most requested at music festivals throughout the world drawing major crowds. As a headlining act, Frankie Beverly and Maze have been instrumental in giving exposure to several new recording artists, before they became household names, including Toni Braxton, Regina Belle and Anita Baker, to name a few.

Recently Maze released a 20-track double-CD "Anthology" of the most popular and successful songs by Frankie Beverly's smooth soul/R&B group Maze makes an almost self-evident point about the far-too-usual treatment of the deserved in the pop music game. The All Music Guide wrote, "Frankie Beverly and Maze may be the ultimate urban contemporary group, though they're much more soulful and funky than many of their counterparts."

The group won the prestigious Trumpet Lifetime Achievement Award in 2010 and in 2012 the long awaited BET Cadillac Lifetime Achievement Award. They continue to attract sold-out audiences shedding a long lived title of "best kept secret in the industry". For Tickets call 1-800-745-3000
